CHILD PROTECTION POLICY

HOME has a duty of care to safeguard all children, young people and vulnerable adults who take part in activities or as audience members at HOME. For this reason, all school and college sessions are open only to young people between 14 – 19 years old accompanied by their teachers.

BEHAVIOUR POLICY

All pupils attending events should be accompanied by their teachers unless written consent has been provided by HOME stating other arrangements. Teachers are responsible for their pupils and all attendees are expected to behave in a responsible manner and to not cause disruptions to other pupils. We recommend teachers supervise where pupils sit for cinema screenings in order to prevent disruptive friendship groups sitting together. Individuals who cause disruption will be asked to behave by HOME staff and their teachers will be informed. If disruptions continue, HOME reserves the right to ask the entire class to leave.

HOME YOUNG CREATIVES

HOME Young Creatives is our programme run by and for 15-25 year olds who are into art, film and theatre.
Every year, we'll be putting on an amazing series of free workshops, projects and commissioning opportunities which will be led by industry professionals.

If you have students who you think would be interested, please direct them to **homemcr.org/HYC** where they can sign up to the newsletter to receive information on up and coming opportunities.
