

FESTIVAL GUIDE

FREE EVENTS ACROSS THE CITY

BIG BEN LYING DOWN

Come to Piccadilly Gardens to explore a monumental 42m replica of Big Ben, created by Argentine artist Marta Minujín and covered in 20,000 political books – and come back at the end of the Festival to take a book for free

CAPTIONING THE CITY

Christine Sun Kim is installing vast physical captions on streets and buildings around the city – inviting us to consider what makes the essence of a city, and to experience our world in a whole new dimension

POET SLASH ARTIST

We're turning the streets of Manchester into a gallery for new art that we can see and read – created exclusively for MIF21 by poets who work with visual art and visual artists who work with poetry
