

## Creative Careers Week at HOME

17 – 21 November

HOME welcomes schools and colleges to take part in Creative Careers Week 2025 this November. Take part in a full day of bespoke workshops led by HOME's creative practitioners, across film, theatre and visual art. Learn about the vast array of careers within the creative industries and the possible career pathways.

HOME is Greater Manchester's vibrant cross artform centre. We commission, create and present contemporary theatre, visual art and film and provide a space for experimentation, where art forms meet and interconnect.

### Key information

- We can host groups of up to 30 students + teachers
- This programme is aimed at students in year 9-13
- The sessions run 9.45am - 2.30pm each day. Your group will sign up for a full day of workshops with us and we will cover all three artforms with every group
- We cannot provide lunch but we will have a designated space for groups to eat
- Groups will be booked in on a first come first served basis

We expect this offer to be popular and booked up quickly – so please get in touch soon to reserve your space.

To book your place, fill out this form <https://forms.office.com/e/g52EU6G16P>

If you have any questions about the programme please contact [creativeengagement@homemcr.org](mailto:creativeengagement@homemcr.org)
